- More pressure points than most chinese imports in the market.

Key Features

- Compression molded, moly coated, highest grade natural rubber formulation meets or exceeds all physical property benchmarks followed by major global brands.
- Corrosion resistant, all metal, riveted frame structure.
- Twin stainless steel flexors provide even pressure distribution between all contact points.
- Universal, pre-installed adapter works with all popular traditional arms.
- Plastic bushes at all metal-to-metal links prevent noise and excessive play.

Provalue Serie *Value performance leader*
