

clearplus®

HYBRID BLADE

+O.E. design on almost 50 MM vehicles with the following arms:

Size	14	16	17	18	19
Part #	41141	41161	41171	41181	41191
	20	21	22	24	26
	41201	41211	41221	41241	41261

+Riveted metal frame with aerodynamically designed hard plastic encasement provides:

Protective shield from snow and ice clogging in inclement weather conditions.

Wind lift resistance and even pressure distribution

+Nano graphite coating on synthetic rubber formulation gives more durable, noise free wiping performance.
