WINDSHIELD WIPERS

SENTINEL SERIES™

- + More pressure points than most other products in the market.
- + Compression molded, moly coated, highest grade natural rubber formulation meets or exceeds all physical property benchmarks in the industry.
- + All metal hinges. Top grade SS rivets and twin flexors strengthen overall structure, reduce corrosion and provide better pressure distribution.
- + Universal pre-installed adapter works with all popular traditional arms.

Work with the following arms:

Size	11	12	13	15	16	17	18
Part #	11111	11121	11131	11151	11161	11171	11181
	19	20	21	22	24	26	28
	11191	11201	11211	11221	11241	11261	11281
