

clearplus®

WINDSHIELD WIPERS

SIGNATURE® SERIES

- O.E. on 125 MM+ vehicles.
- Direct, easy replacement on 300 MM+ registered automotive and HD vehicles that use hook arms, as an upgrade from conventional frame.
- Robust frame structure and premium look meets extended life rubber.

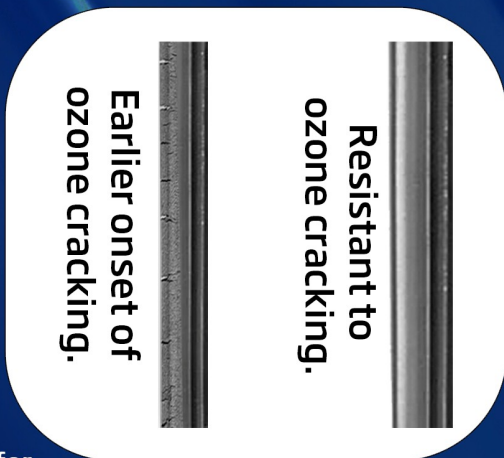

HYBRID BLADE

Upgrade Conventional
to Exceptional Blade

- Reliably maintains mid-section contact even on arm pressure compromised, high - mileage vehicles.

- Extra durable rubber. Extended resistance to ozone cracking.

Works with the following arms:

100 Outwater Lane Garfield, NJ-07026
TOLL FREE: 1-888-452-WIPE (9473)
P: 973-546-8800 F: 973-546-0800
